

NEWTON ABBOT TOWN COUNCIL – COUNCIL MEETING –  
05/06/2024

Queen Street, Newton Abbot

The Town Council has received the following via Councillor Philip Bullivant, Chair of the Newton Abbot & Kingsteignton Garden Community Board:-

Teignbridge DC has received a grant in the sum of £25,000 that is available to provide support to businesses affected by the improvements to Queen Street through a series of business support events on the completion of the project.

Teignbridge has suggested that the Town Council has the experience and is best placed to manage these events and has asked that the Town Council puts forward plans to deliver such activities.

The Town Council is therefore requested to approve the proposal and liaise with TDC to control and deliver appropriate events.
