DEVON & TORBAY: DRAFT LOCAL TRANSPORT PLAN 4

Consultation draft

The draft Devon and Torbay Local Transport Plan 4 (LTP4) is the strategic document that sets out the priorities for transport across the county between 2025 and 2040. Transport and connectivity have a vital role in helping make Devon and Torbay the best place to grow up, live happily and healthily, and prosper.

Many of the projects from the Local Transport Plan 3 have now been delivered, and changes in technology, working patterns and climate change mean the way we travel is changing.

Our vision is that:

Transport will facilitate sustainable growth and support Devon and Torbay in reaching net zero carbon by 2050 at the latest. Well-integrated, accessible and inclusive transport will improve travel choice and benefits the health and wellbeing of everyone.

There are six objectives underpinning the draft LTP4 to achieve this vision:

- Decarbonisation
- Easier Travel
- Reliable and Resilient Network
- Unlock Development
- Greater Places for People
- The Place to be Naturally Active

Different places across Devon and Torbay have distinctive characteristics and different transport challenges and needs. The draft LTP4 includes four place-based strategies and action plans covering:

- Torbay
 - Exeter
 - Growth Areas
 - Rural Devon and Market & Coastal Towns
- The draft LTP4 also includes strategies and action plans for:**
- Connecting Devon and Torbay
 - Asset Management and Road Safety
