The Town Clerk, as Proper Officer, and the RFO advised members they do have concerns due to the uncertainty of the criteria and the conditions for spending the funding, which have continued to change. The Town Clerk reminded members that when the Council considered a proposal to utilise the UKSPF in June 2024, it was advised that the funding could not be used for marketing purposes. The Town Clerk advised the Council would be expected to initially fund the project without guarantee of the government approving the application to the UKSPF.
