218. **MINUTES**

The minutes of the meeting of the Planning Committee held on 17<sup>th</sup> September 2024 were received and signed as a correct record.

219. **PUBLIC PARTICIPATION**

None.

220. **CONSIDERATION OF LOCAL PLAN & NEIGHBOURHOOD DEVELOPMENT PLAN**

The Committee reaffirmed their recommendation that applications for all new build properties and where appropriate refurbished sites, give regard to the policies

included in the Newton Abbot Neighbourhood Development Plan 2016-2033 (NANDP) which contributes to the District Local Plan. In particular, to the inclusion of renewables within the development as per Policy 1 NANDP and given the rise in electric vehicles, that any such application with an off-street parking space, consider the installation of an electrical vehicle charging point as per Policy 2 NANDP. In addition, the Committee recommended that new build properties should include provision for a sustainable heating system given the Government's intention to cease the use of mains gas central heating from 2025.

24/01475/DEM

Bradley Mills Bradley Lane Newton Abbot Devon TQ12 1NF  
Demolition of six buildings and ancillary structures.

In accordance with Standing Order 5b (Voting) Councillor J Bradford requested a recorded vote. The request was supported by four Councillors who indicated their support by rising from their seat.

Members discussed the proposed demolition of the Bradley Mills site and noted the Town Council has included the Vicary Mill building in the draft Heritage Asset Register.

The Chairperson, Councillor M Joyce, stated the application is for prior approval and therefore full structural surveys of the site have not been carried out to determine the condition of the buildings and the viability of future development.

Concerns were raised whether the correct process has been followed for the application to proceed under permitted development and whether all options have been explored. Further concerns included the presence of Swifts, premature demolition and the lack of ecological and structural surveys.

Arising from the discussion members agreed:

**RECOMMENDATION:** Newton Abbot Town Council 'calls in' application 24/01475/DEM requesting the Local Planning Authority considers the application at its Planning Committee as the site has been included on the draft Heritage Asset Register. In addition, concerns about whether the correct process has been followed for the application to proceed under permitted development, premature demolition before all options have been considered and the presence and protection of Swifts and the lack of ecological and structural surveys.
